Cambridge English: Young Learners

Young Learners English Tests (YLE)

Give your child a head start in English

Cambridge English: Young Learners, also known as Young Learners English (YLE), is a series of motivating English-language tests specially produced for children. The tests are designed to make learning fun and children are encouraged by working towards certificates and earning ‘shields’ that record their progress.

Cambridge: Young Learners features three tests. Each one tests the skills of listening, speaking, reading and writing.

Cambridge English: Key

Key English Test (KET)

Key English Test (KET) for Schools

This exam follows the same format and level as Cambridge English: Key. The only difference is that the content and treatment of topics have been targeted at the interests and experiences of school-age learners.

Compact Key for Schools

Emma Heydeman with Frances Treloar

- 50-60 teaching hours
- Offers concise, targeted exam preparation focused on maximising your students' exam performance
- Organised by exam skill, each unit deals with one part of each exam paper in turn

Compact Key for Schools delivers intensive, thorough language revision underpinned with exam practice. It's ideal for shorter courses or for use in conjunction with a general English course. Exam tips and advice throughout prepare students for the exam task which follows, while Grammar, Vocabulary and error-correction exercises train students to avoid the common mistakes exam candidates make.

Targeted vocabulary, based on English Profile, means students are permanently 'on level', and teachers have access to two complete practice tests with audio.

Objective Key

Second edition

Annette Capel and Wendy Sharp

- Updated and revised edition of Objective KET course
- 20 concise units with 'spelling spots' and 'grammar extra' sections
- Key words sections informed by English Profile
- Short units offer a variety of lively topics for younger students while providing thorough training in exam skills and solid language development.

Key speaking sections, 'Writing folders' and regular 'Exam folders' provide systematic exam preparation and practice. Key words sections, informed by English Profile, highlight words and meanings that students require to communicate at A2 level.

Cambridge English:

Proficiency

Certificate of Proficiency in English (CPE)

Proof of exceptional English ability

Cambridge English: Proficiency, also known as Certificate of Proficiency in English (CPE), remains the most thorough and comprehensive examination of Level C2 available, and continues to empower learners to study and work at the highest levels.

Cambridge English: Proficiency has undergone a number of significant revisions, and the March 2013 revision represents the latest stage in the examination’s development. The changes have made the test more user friendly, shorter and more suitable for study and career advancement purposes. The Use of English and Reading papers have been consolidated into one paper, reducing the overall length of the exam without compromising on the quality of the test.

Although the new combined paper will be shorter in length, there has been no significant shift in approach or in testing focuses covered – the revised paper will retain its General English non-specialist focus, tests will be drawn from the same range of sources as before, and the same range of both language systems knowledge and reading skills are included.

Objective Proficiency

Second edition

Annette Capel and Wendy Sharp

Proficiency

• For examinations from March 2013
• Updated edition of Objective Proficiency
• Interactive software contains activities for practice of exam skills, grammar and vocabulary

Objective Proficiency second edition has been fully updated for the revised exam.

A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. This motivating, flexible material is also suitable for C2-level students interested in improving their General English.

Drawing from the Cambridge Learner Corpus, exercises and examples tackle areas that Proficiency students often find challenging. Regular ‘Exam Folders’ and ‘Writing Folders’ provide systematic exam preparation and practice, covering each paper in detail. ‘A Grammar folder’ is included to provide easy reference material with a variety of explanations and examples.

BULATS
Business Language Testing Service
The global benchmark for workplace language skills
BULATS (Business Language Testing Service) is designed to test the language of employees who need to use a foreign language at work. It is also suitable for learners and employees on professional business courses where foreign language ability is an important element of the course. BULATS measures candidates’ results on a scale of 1–100, which equates to CEFR Levels A1 to C2.

Online Self-study Course for BULATS
Intermediate to Advanced
BULATS preparation is now available as a 100% online course for self-study, or as part of a blended learning course. These 50-hour courses cover Levels B1–C1 of the CEFR and are organised into three modules: Reading and Listening (30 hours); Speaking (10 hours); and Writing (10 hours). Students can complete the entire course, or work on particular modules which are available individually.

BULATS Blended Learning Course
The BULATS Blended Learning Course is available in the following combinations of classroom and online study:
• 60%–70% Online, 30%–40% Classroom

Essential BULATS
David Clark
Intermediate to Advanced
• 15–20 teaching hours
Suitable for classroom use or self-study, this short course is for anyone preparing to take the BULATS test. Organised by paper, the book provides practice for all parts of the test – the Standard Test, the Writing Test and the Speaking Test – and the CD-ROM provides an introduction to the Computer-based Test. Short sections make it easy for students to study around busy schedules and a full answer key is included so students can check their answers. A sample practice test section is also included.

• 80 teaching hours, extendable to 120

This two-level preparation course provides comprehensive training for both the Academic and General Training modules of IELTS.

Short units emphasise progress, and the course uses analysis of errors made in real IELTS candidates’ papers to help students avoid typical mistakes. Regular ‘Test folders’ and ‘Writing folders’ give guidance and practice in every aspect of the test.

The Workbook offers extra practice, including ‘Writing workout’ sections and a complete IELTS Reading module.

The Student’s Book CD-ROM provides a wealth of extra support including up to 20 extra hours of IELTS skills practice and a voice-recording feature for students to practise pronunciation.

New Insight into IELTS
Vanessa Jakeman and Clare McDowell

Upper Intermediate
• Suitable for Academic and General Training modules
• Includes regular test-type exercises
• 80 teaching hours, extendable to 120

New Insight into IELTS gradually builds up the skills, language and test techniques that students need to approach the test with confidence. Appropriate for both Academic and General Training candidates, it is intended for use with students around Band 6 to 6.5 level.

Suitable for classroom use or self-study, the course explores the test paper by paper, giving an exam overview as well as looking in detail at the various task types and giving handy test tips for each. The Workbook contains a full IELTS practice test.

Step Up to IELTS
A short IELTS course
Vanessa Jakeman and Clare McDowell

Intermediate to Upper Intermediate
• Suitable for Academic and General Training modules
• Approximately 60 teaching hours
• Pocket-sized Personal Study Book provides extra vocabulary, grammar and writing practice
• Test practice sections at the end of each unit together constitute a whole sample IELTS test

Designed to quickly cover essential exam skills and familiarise students with the test, Step Up to IELTS gives sound exam tips and advice on maximising band scores in approximately 60 hours of teaching time. Covering both the Academic and General Training modules, the course gradually builds exam skills. Practice is given through shorter, achievable exam-style tasks, progressing to more challenging tasks at authentic test level.

The Official Cambridge Guide to IELTS
Pauline Cullen, Amanda French and Vanessa Jakeman

Elementary to Advanced
• Suitable for self-study students at all levels covering both the Academic and General Training modules
• Exercises are based on research into real IELTS candidates’ exam answers - and the mistakes they make, so that you don’t make the same ones!
• Eight practice tests ensure that students are completely familiar with the exam and are able to perform with confidence
• Videos of the Speaking test provide a head start in a part of the exam which is tricky to prepare

The Official Cambridge Guide to IELTS is THE definitive guide to IELTS from the experts in the exam itself. The most thorough and authoritative preparation available for this life-changing exam, it includes language and skills development, with a focus on test-taking strategy, to help students maximise their band-score.
